

HEADWELL COMMUNITY COUNCIL

Tuesday 3rd of December 2024 AT 7PM

Headwell Bowling Club,

60 Shamrock Street,

Dunfermline, KY12 0JQ

The meeting was opened by Vice Chair

1.Welcome / apologies for absence/

A warm welcome was extended to all. Apologies were received from, Chair, CLLR Auxil Barrera, 3 Member of Public

In attendance

(Vice chair), (Sec), 6 local residents.

Fife Councillors-

Cllr Gavin Ellis, Cllr Gordon Pryde

Community Police officers –

Apologies Noted

2.Matters arising from previous minutes

A) Coffee morning is currently suspended until further notice, we are looking to revamp the event itself and potentially change days when this is held on.

B) Headwell Park Update

VC gave us a very good update that we are actually 4 weeks ahead of schedule! And works should be starting very soon.

C) Watson place leak

Cllr Gordon gave the CC info that this leak could potentially be spring water, this is not an easy solution as Scottish water must carry out all relevant tests.

D) Planters/ benches

We have been given funding for new planters and benches, these will be located on the Arthur Street entrance of the bowling club, we discussed about local companies sponsoring a planter which the CC has agreed that this can bring in extra money. Any company is free to give us an email for more information

4. Membership.

Our membership status is currently at **ELEVEN** members with a maximum of **TWELVE**.

4. Treasurer report/ Social Media Update.

balance. £****.**

Facebook followers are sitting at 251 people following the page.

5. Police Report

Given 3/2/25

6. Planning Permissions

We had 1 application for a house on watson place, no issues were raised.

7. AOCB

A) Hedge at corner of holyrood place-

A local resident raised an issue about the hedge which is on the puregym corner- when crossing the road it is very hard to see any oncoming cars, as this land isnt owned by FC they can not help, however an email has been sent to the insurance company who own the land.

B) potenial crossing on pilmuir street. A local reisdent also raised a concern about the lack of crossing on pilmuir street. This was discussed that as pilmuir street has a multiple bus stops to close to juntions etc- it is very hard to add in another crossing.

C) Mini roundabout at hill street and campbell street- a local resident raised the concern that we havnt heard a lot about the hill street roundabout which was propesd to the FC last year. Cllr Gordon Pryde is going to follow this up.

D) A&E petition the CC had discussed that there was many petitions started and none were seen valuable to scottish goverement or NHS Fife. Unfortnuatly this is outwith our control about the petition a local resident started and even though we had signatures, NHS Fife is reluctant to bring back an A&E at the QMH.

Next meeting 11th of March
