**A)**

#### **Coffee Morning**

Still ongoing....

**B)**

#### **Notice Boards**

New notice board is up and we have documents in these, was great to see two new faces tonight due to the board.

### **C) Anti-social behaviour/ Criminal activities.**

Cllr Auxi had contacted the community sergeant regarding the potential of adding some benches in the area, Cllr Auxi had asked about the stats in the area, Community sergeant was able to confirm the following. “ since 01/01/2024 there have

been 128 calls to Headwell Avenue, Headwell court and Headwell road. Of that I have assessed 6 calls that could be classed as Antisocial Behaviour, which resulted in 6 crimes being recorded”

#### **D) Road works on townhill road**

Roadworks on townhill road have been reported as finished, they now just need to clear the areas and a general tidy up of all signs etc.

#### **E) QMH**

Was explained that in order to start a petition a local resident could start a change.org petition, this can enable a lot of social media coverage.

#### **F) Sewage leak on alexandra Street**

Cllr Pryde is going to look into this, It was brought to our attention by a resident that this was reported to be fixed, but others stills ay there is a problem. Cllr Pryde will update the CC in due course.

#### **G) Drug dealing issues**

This was reported to the police, This will be monitored.

#### **H) Playpark update.**

Unfortunately The park will be renovated in 2025 but unfortunately with no exact date. The application for the park renovations were all accepted although the funding application came to close. As we applied for the funding before it closed it is being honoured. Any more concerns please give us a message

#### **I) CLLR Auxil Barrera Email's**

Cllr Auxil is going to look into if we need a license to hold a car boot sale on the green space of the bowling club **UPDATE Email stated market operators licenses are a confusing thing. If we have a fete solely to benefit the CC no operators license is needed, If the CC sell a pitch/ table space then one would be required.**

Cllr Auxil is also going to look into the Dog (Bag it Bin it) stencil to see where it can be placed and if there is any restrictions on where. **UPDATE Cllr Auxil passed on an email from FC to state we can place the stencil on any FC owned land, this must be easily removed which our paint is.**
